M MGA Offices

Associated businesses and partners:

Millennium Underwriting Agencies Pty Ltd

In response to identified needs within the regional areas in MGA's early years, Commercial Farmers (CFI) was set up and sourced security from a number of Australian Insurers. In 1998, a new Underwriting Agency was formed, known as Millennium Underwriting Agencies. A subsidiary of MGA, it remains a conduit to a number of specialist markets. Millennium is a cover holder at Lloyd's of London, providing MGA with a number of new products to add to our current range.

Today, Millennium employs a strong dedicated claims and underwriting team and maintains significant farm insurance and crop insurance businesses. Other products distributed by Millennium to the MGA network include residential strata, house and contents, landlords insurance and commercial motor.

MGA Insurance Brokers is one of the top 10 insurance brokerages in Australia with 40 offices and over 200 personnel.

Austbrokers and AIMS

"National strength linked with individual commitment" is the mantra of our partners at Austbrokers. MGA can directly relate to this, being part of this successful and long-term partnership.

MGA is a member of the publicly-listed Austbrokers Network. AUB Group Ltd has a 49% stake in MGA. This arrangement provides MGA with the benefits of being part of one of Australia's largest insurance broking groups.

The Austbrokers network has a total turnover of more than \$3bn in general insurance premiums. In 2015, Austbrokers and the Insurance Brokers Network of Australia commenced a joint marketing initiative which culminated in the development of a suite of products with the select AIMS Underwriters, including Allianz, CGU, Zurich and Vero. Across Australia, 140 AIMS Insurance Brokers place \$3.8bn of insurance premiums on behalf of their clients.

TK Specialty Risks

Established as a Corporate Authorised Representative of Millennium Underwriting Agencies Pty Ltd with Tom Kent in November 2015. TK Specialty Risks Pty Ltd is dedicated to Professional and Financial Lines insurance. TK Specialty Risks Pty Ltd offers products in well established lines of insurance, such as Management Liability and Professional Indemnity, but also has a strong emphasis on providing solutions for emerging risk classes, including Cyber Liability. TK Specialty Risks Pty Ltd offers products that are of premium standard as well as first-rate claims handling expertise.

MGA EZIPAY

MGA Ezipay is a wholly owned subsidiary of MGA. It was created in 2006 to provide premium funding options at very competitive rates. MGA Ezipay also provides MGA with the ability to offer pay by the month premiums, for no extra cost in some cases. MGA Ezipay is utilised extensively throughout the MGA network, providing an ideal way to assist with cashflow in a cost effective manner.

Whittles Body Corporate Management

Whittles was established in 1968 to coincide with strata titles being introduced to South Australia. It was purchased by the current directors and shareholders in 1985 and has undergone significant expansion into new markets including the Northern Territory and Queensland.

MGA and Whittles have a close working business relationship through synergies in the quotation and placement of body corporate insurance.

"As a group, we cannot succeed without good people with purpose and dedication. We are fortunate indeed to have such people in our branches and operational areas."

- JOHN GEORGE | Group Executive Chairman
